XEROX DocuShare - Signs i-Quest as UK & Ireland Reseller

Gavel & Gown Partners with I-Quest in the UK & Ireland

Amicus Attorney software solutions are used by Law Firms in over 80 different countries. Amicus Attorney is ideal for small to medium size law firms. The software line consists of Case & Practice Management, Accounting and Mobile. If your practice already has a Case & Practice Management System ask about **'Swap Out'** deals. If your practice does not use a system but you have considered one ask about **'New Client'** only deals.

Are you buried in paperwork?
Can't find or share important documents easily?
Looking for ways to reduce the cost of paper, storage and labour?

Government regulations and quality initiatives have amplified the problem: we're all producing more and more content and most of us don't have an efficient way to share it and keep track of it. This often results in a widespread waste of time and money. Learn how DocuShare, the flexible yet robust content management software from Xerox, can help you manage the proliferation of documents and reduce costs. DocuShare is easy to set up and use so you can be up and running in a day. Our live 24/7 customer support and online training makes it easy and it is low cost.

Call or email us at I-Quest and ask for a free download and demonstration.

XLM = Extended Legal Management

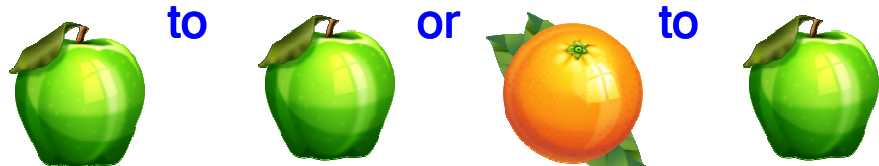

What is XLM and how can it benefit a small to medium size Law Firm without breaking the Bank.

1. You can Rent/Lease or Buy it, which ever suits your firms finances best.
2. You only pay for what you have and what you use.
3. You can change it any time, increase or decrease add or subtract.
4. XLM comes in modules mix and match as your firms needs change..

So what is XLM?

It is a complete management system design specifically for small to medium Law Firms, it is so flexible it allows Law firms to have complete control over there practice and their clients business which ultimately leads to billing more hours.
