

DOCUMENT MANAGEMENT - We can do it your way!!

I-Quest are offering the most competitive options to UK & Ireland Firms, who need a DOCUMENT MANAGEMENT SYSTEM, to be more competitive, wish to improve their quality of service and need to do more with less but and do not have the resources now.

Never loose or misplace a document, find a document in a few seconds, scan paper documents, add paper to electronic documents, easily create electronic client files, client matters, create workflows, records management, compliancy, security, work remotely and so much more.....

FileHold gives Companies of any size everything they could wish for in a Document Management System straight out of the box - simple to install, minimal training, immediate benefits and full support from I-Quest. If you work with MS Outlook, MS Word etc you already know how to work with FileHold, it's that simple. The ROI - typically FileHold will return it's investment within 3-4 months.

***Our Offer :-** is specifically for Summer 2009 and will enable you to provide a better level of service to clients, save vast amounts of time and generate increased profits in these competitive times, yet you will not have to outlay funds all at once.*

*This is how you can have a Document Management System in
2009.....On 0% Payment Terms*

Your firm must be located in the UK or Ireland.

Your firm must be in a position to order by the end of August 2009.

Your firm must agree to pay the first years support and maintenance on the order date (20% of the list price of the software) and the rest based on agreed payment terms (Maximum term 36 Months)

Finally, the Support and Maintenance must be renewed for at least as long as the length of the term of the 0% finance plan.
